1. When 2 Day receives instructions to establish a specific time for delivery of shipments, a charge of \$20.00 per shipment will be assessed against the payor of the freight bill.
2. When the bill of lading contains a notation such as, "For carrier convenience, call before delivery" or "If necessary, call before delivery" or "Appointment required" or other similar wording, it will be considered a request for notification prior to delivery and subject to the provisions of this Item.
3. When a shipment is consigned to 2 Day's terminal with instructions to hold the shipment at the terminal for pickup by, or instructions from, the consignee or other party, and such instructions do not include a request for notice of arrival and a telephone number or address for purposes of giving such notice, 2 Day will, if possible, notify the consignee or other designated party that the shipment has arrived, subject to the charge specified in Paragraph 1 above. If 2 Day is unable, due to no fault of the carrier, to give such notice of arrival, storage charges, in accordance with provisions of Item 700 in this tariff, will begin accruing at 8:00 A.M. on the first business day following arrival of the shipment at 2 Day's destination terminal.
