

TWDW-100 TARIFF

ITEM 510 - DETENTION WITH POWER UNIT

This item applies when 2 Day vehicles with power units are delayed or detained (through no fault of 2 Day) at pickup or delivery either on the premises of the Customer or as close thereto as conditions will permit, subject to the following:

When the shipper or the consignee, for whatever reason and through no fault of 2 Day, is unable to complete the loading or unloading process in the allowable time as detailed below, the freight shall immediately become subject to detention charges. 2 Day is under no obligation to request approval from the paying party in advance as the detention is already occurring. Whenever possible a courtesy notification will be attempted.

Computation of time:

Computation of free time shall begin upon notification by the driver to the responsible representative of the Customer of the arrival of the vehicle for loading or unloading. Time shall end upon completion of loading and receipt by the driver of a signed bill of lading or receipt for delivery. These times are to be noted on the signed proof of delivery.

Free time per vehicle stop shall be as follows:

Actual Weight (in pounds)	Free Time
Less than 5,000	30
5,000 through 19,999	45
20,000 through 40,000	60

Charges

When the loading or unloading is delayed, the charge per vehicle for each 30 minutes, or fraction thereof, beyond free time will be \$40.00.
